

How to Clean Hard Water Stains off a Waxed Table

by **Sharon Potter-Case**

My Programs Work

Introduction

This is a great way to get rid the water stains on your furniture.

Instructions

Difficulty: Easy

Things You'll Need

- Virgin Olive Oil
- White Vinegar
- Soft Cloth or Mr. Clean Magic Eraser.

Steps

1 Step One

Mix equal parts of the vinegar and olive oil.

2 Step Two

Apply to the affected area,do not rub back and forth,rub only in one direction,using brief ligh t strokes.

3 Step Three

When you are finished repairing the area,then clean it properly to remove the cleaning solution.

4 Step Four

Pat dry.
